Love is / Love is Not

Jesus set the example for us to show love to others, but what does that mean? Below are two lists of words that describe what love is like and what love is not like. Look at the word across from each blank. Write a word that means the opposite in the space. Hint: Use the word bank.

Love is ...	Love is not ...
kind	
	proud
giving	
	impatient
encouraging	
	hurtful

Word Bank

discouraging selfish
patient mean helpful humble

I can follow Jesus' example by showing love to other people.
