

# David Fought Goliath

1 Samuel 17:1-50

## Where's Your Trust?

These pictures show situations in which it is easy for people to rely on themselves instead of trusting in God's help. Look at the pictures. In the blank spaces draw how the situations could end. Work with a partner to create a story for each situation.

 <p><b>Cheating</b> can lead to...</p>	
 <p><b>Arguing</b> can lead to...</p>	
 <p><b>Reading the Bible</b> can lead to...</p>	

Isaiah 41:10

What can I learn from these situations?
